

Active

Beach Games

A chance to play and enjoy the beautiful Queenscliff Beach. Campers will have a say in the games and activities that are played each day. This will not involve swimming.

Court Sports

A new court-based game every day based on the sports that kids love the most.

Aussie Rules

Learning and perfecting your AFL skills whilst having fun with other campers. Drills, rules and match play are included in each day's classes.

Double Dutch

The skipping ropes will be out and the campers will be mastering the art of double dutch skipping with the 2 long ropes. Lots of chances for individual tricks as well.

Hip Hop Dance

Campers will enjoy not only the instruction of learning new moves and routines but also the opportunity to get creative and come up with their own choreography. Great for beginners through to advanced dancers.

Art

Art projects for Winter Camp will include a variety of different skills and textiles, to satisfy all skill and interest levels. The ultimate in creative expression.

Newsroom Studio

Campers become journalists and editors as they create the Camp Blue News for presentation at the end of week., This includes reporting, writing, photography and video editing.

Theatre Sports

Campers will engage in the art of improv and learning the skills it takes to compete in the Theatre Sports competitions.

Makerspace

Camp Blue Makerspace is an environment where campers can explore their own interests, learn to use various tools & materials to develop creative solutions to help in their everyday lives. Unstructured by design, to harness a mindset of community, creativity and collaboration.

Glee

Campers have the opportunity to put their acting, dancing and singing skills to the test; creating a music video to a song or a mix of songs of their choice as a group.

Creative

Curiosity Lab

Get your geek on as we explore how the world works! Ask your science questions and we will endeavour to find an answer. Whether it is building a rocket, exploring how animals interact, or how to survive in Antarctica,... you're sure to find out here!

Photography

Learn the skills in taking photos of people and landscapes and some fun tricks to do from your own camera or devices. Campers will need to bring a camera to camp that they can learn on.

Cooking

It's back! Get in the kitchen and learn how to cook some of your favourite foods. Learning not only about food but kitchen skills from cutting to cleaning.

Boardgames / Chess

The chess sets will be out and a selection of board and card games on offer. If you want an activity that is still fun and full of competition but a little more relaxed physically, then this is for you.
