

# ACTIVE

## DiFro Ball

Not as complicated as it sounds, this is a different ball sport for each day of the week which includes camper choice. From traditional sports like Soccer, Basketball and Cricket, to more niche sports like Volleyball, European Handball and Dodgeball. The options are endless!

## Beach Games

A chance to play and enjoy the beautiful Queenscliff Beach. Campers will have a say in the games and activities that are played each day. This will not involve swimming.

## Touch Rugby

Any future Wallabies or Wallaroos in the house? This is all the fun of rugby without the demand of tackling. Each day will include warm ups, drills, skills and game play.

## Ultimate Frisbee

A non-contact team game where points are scored by flinging a frisbee to a teammate in the opposing end zone. Combining the elements and skills of many other sports, this is a great way to be active without the confines of so much structure.

## Double Dutch

The skipping ropes will be out for Campers to learn and master the art of double dutch skipping with the long ropes. Lots of chances for individual tricks with the short ropes also.

## Street Dance

Drawing on a variety of dance styles developed over the years outside a studio, Street Dance is a powerful form of non-verbal communication that encourages self-expression in people of all ages. In the camp environment, creative movement gets Campers active and helps them express themselves without barriers.

## Art

Art projects for Winter Camp will be focused on the fine art of drawing as well as the use of various different textiles to create new masterpieces.

## Musical Production

**For full-week campers only**, this is a comprehensive activity for participants to fully immerse themselves in the planning, rehearsal and performance of a Broadway-worthy musical production. Friday afternoon will be showtime for all campers and staff to watch the finished product.

## Prop & Costume Design

To complement our Musical Production in a behind-the-scenes capacity, this is a hands-on approach to constructing the required props, costumes and pieces of set for the final show. Campers do not need to have a role in the Musical Production to participate in Prop & Costume Design.

## Makerspace

Camp Blue Makerspace is an environment where Campers can explore their own interests and learn to use various tools and materials to develop creative solutions to help in their everyday lives. Unstructured by design, to harness a mindset of community, creativity and collaboration.

## Glee

Campers work together as a group while putting their acting, dancing and singing skills to the test; creating a music video to a song or a mix of songs of their choice.

# SPECIAL INTEREST

## Book Club

Back by popular demand, Book Club is more than just reading. It is a chance for campers to unwind from the action while involving themselves in group discussion of books they have read and expressing their opinions, likes, dislikes, etc. You can bring your own book or borrow one of ours!

## Cooking

Warm up those tastebuds and learn how to cook some culinary classics. Cooking is a life skill that promotes independence and gives a new appreciation for what goes on your plate. Learning not only about food, but core kitchen skills such as hygiene, chopping and mixing.

## Board Games

A range of modern and classic board games will be out on the tables to learn, master and use to challenge your friends. If you want an activity that is fun and full of strategy but a little more relaxed physically, then this is for you.
