WINTER 2022 ACTIVITY LIST

9-Square

Best. Game. Ever! A Camp Blue favourite, this is the ultimate group game for all sizes and abilities. Fast moving and a good way to test the reflexes.

Basketball

Hit the court and channel your inner Patty Mills or Liz Cambage, with some fun basketball drills and a bit of game play.

Street Hockey

Learning the rules and game play of the much loved street hockey. All levels of experience are welcome as we enjoy our great game together.

Tennis

The ultimate racquet sport makes its return to Camp Blue. Aside from practising your forehand, backhand, volley and serve, there will also be some fun drills and game play to keep us all active.

Street Dance

Drawing on a variety of dance styles developed over the years outside a studio, Street Dance is a powerful form of non-verbal communication that encourages self-expression in people of all ages. In the camp environment, creative movement gets Campers active and helps them express themselves without barriers.

Art

Art projects for Winter Camp will be focused on the fine art of drawing as well as the use of various textiles to create new masterpieces.

Theatre Sports

Campers will engage in the art of improv and learning the skills it takes to compete in the Theatre Sports competitions.

Glee

Campers work together as a group while putting their acting, dancing and singing skills to the test; creating a music video to a song or mix of songs of their choice.

Makerspace

Camp Blue Makerspace is an environment where Campers can explore their own interests and learn to use various tools and materials to develop creative solutions to help in their everyday lives. Unstructured by design, to harness a mindset of community, creativity and collaboration.

Lego Masters

Brick by brick, this is the opportunity to use your imagination to bring a construction to life. Assemble and connect lego pieces whichever way you need to construct objects, including vehicles, buildings, and working robots. The options are endless!

Yoga & Mindfulness

Slow things down and bring awareness to your senses for the ultimate daily reset. Our mindfulness exercises will aim to focus wholly on the simple things we can control and what brings us the most joy. Living in the moment is the best way to capture it.

Curiosity Lab

This is your chance to turn into a mad scientist while doing some fun experiments to explore why the world works the way it does. There is no success without failure but the hard work will pay off with some surprising results!

Cooking

Warm up those tastebuds and learn how to cook some culinary classics. Cooking is a life skill that promotes independence and gives a new appreciation for what goes on your plate. Learning not only about food, but core kitchen skills such as hygiene, chopping and mixing.

Circus Skills

The greatest show on earth, and the perfect excuse to clown around! Learn and master some of the skills that circus performers have been practicing for centuries. Juggling, twirling, magic tricks, puppetry and so much more.

Chess & Board Games

Checkmate! A true test of concentration and strategy, we'll have the Chess boards out for Campers to learn and develop their knowledge of this ancient game. If you don't know how to play, we'll teach you!
