SURFING SPECIALITY PROGRAM

A daily group Surfing session facilitated by our partners at Manly Surf School. Using a combination of surfboards and boogie boards with consideration to the natural conditions and general safety. For full-week campers in Year 3 and above.

Flag Football

The latest addition to the L.A. Summer Olympic Program and a craze that is about to take off across Australia. Learn the rules of this gridiron adaption and how much fun this game can be.

Beach Games

A chance to play and enjoy the beautiful Queenscliff Beach. Campers will have a say in the games and activities that are played each day. This will not involve swimming.

Rockpool Swim

A daily recreational swim in the beautiful Queenscliff Beach rockpool. This is an ideal way to cool off with friends, and is overseen by our very own trained lifeguards.

Soccer

Soccer continues to grow in popularity so we have to celebrate the world game at camp every day. This will be a mix of warm ups, skills, drills, game play and fun.

Difro Ball

Not as complicated as it sounds, this is a different ball sport for each day of the week which includes camper choice. From traditional sports like Soccer, Basketball and Cricket, to more niche sports like Volleyball, European Handball and Dodgeball. The options are endless!

Skipping / Double Dutch

The skipping ropes will be out for Campers to learn and master the art of double dutch skipping with the long ropes. Lots of chances for individual tricks with the short ropes also.

Art

Art projects for Summer Camp will include some classics which incorporate a variety of different skills and textiles. The beauty of creating art is that the possibilities are endless!

Newsroom Studio

Campers become journalists and editors as they create the Camp Blue News for presentation at the end of week. This covers a range of skills such as research, writing, reporting, photography and editing.

Makerspace

Camp Blue Makerspace is an environment where Campers can explore the building and design of a variety of objects. Team challenges such as building the strongest bridge or a building that withstand wind, or a solar oven are just some of the creativity that happens within the Makerspace realm.

Glee

Campers work together as a group while putting their acting, dancing and singing skills to the test; creating a music video to a song or a mix of songs of their choice.

Creative

Special Interest

Curiosity Lab

This is your chance to turn into a mad scientist while doing some fun experiments to explore why the world works the way it does. There is no success without failure but the hard work will pay off with some surprising results!

Strategy Studio

For the campers who love a brain teaser, promoting cognitive skills such as problem-solving, critical thinking, and memory retention, while also fostering patience and perseverance. The Strategy Studio is full of daily riddles to solve, jigsaw puzzles, crosswords, board games, sudoku, word searches, and more!
